Political 2

Table BC_REG	Page 1	BC_REG. BC Regions
Table BC_REG2	Page 2	BC_REG2. BC Regions
Table SEX	Page 3	SEX. Sex
Table Q1AA	Page 4	Q1AA. Which of the following age groups do you fall into?
Table Age_Col	Page 5	Age Categories
Table AGEGRP	Page 6	Age Groups
Table AGESEX2	Page 7	Age/Sex Groups
Table AIOE	Page 8	CODED - What is the most important issue in British Columbia today, in other words, the one that concerns you personally the most?
Table B2	Page 11	B2. In general, if you do vote, how likely are you to vote for each of the following provincial political parties? How about The BC Liberal Party?
Table B3	Page 12	B3. In general, if you do vote, how likely are you to vote for each of the following provincial political parties? How about The BC Conservative Party?
Table B4	Page 13	B4. In general, if you do vote, how likely are you to vote for each of the following provincial political parties? How about The BC NDP?
Table B5	Page 14	B5. In general, if you do vote, how likely are you to vote for each of the following provincial political parties? How about The Green Party of BC?
Table B6	Page 15	B6. If a PROVINCIAL election were held today, which party would you vote for?
Table B7	Page 16	B7. In that case, which party do you lean toward slightly?
Table D12	Page 17	D12. I am going to read you a list of issues, and for each issue I'd like you to tell me if you think the provincial government should be doing more/less on that particular issue. Jobs and economic development
Table D13	Page 18	D13. I am going to read you a list of issues, and for each issue I'd like you to tell me if you think the provincial government should be doing more/less on that particular issue. The gap between rich and poor
Table D14	Page 19	D14. I am going to read you a list of issues, and for each issue I'd like you to tell me if you think the provincial government should be doing more/less on that particular issue. Climate change
Table D15	Page 20	D15. I am going to read you a list of issues, and for each issue I'd like you to tell me if you think the provincial government should be doing more/less on that particular issue. Education
Table D16	Page 21	D16. I am going to read you a list of issues, and for each issue I'd like you to tell me if you think the provincial government should be doing more/less on that particular issue. Health care
Table D17	Page 22	D17. I am going to read you a list of issues, and for each issue I'd like you to tell me if you think the provincial government should be doing more/less on that particular issue. Affordable housing
Table D18	Page 23	D18. I am going to read you a list of issues, and for each issue I'd like you to tell me if you think the provincial government should be doing more/less on that particular issue. Roads and transit
Table D19	Page 24	D19. I am going to read you a list of issues, and for each issue I'd like you to tell me if you think the provincial government should be doing more/less on that particular issue. Developing our natural resources
Table D20	Page 25	D20. I am going to read you a list of issues, and for each issue I'd like you to tell me if you think the provincial government should be doing more/less on that particular issue. Keeping the cost of living down
Table F30	Page 26	F30. I would like to ask you which would be your top priority if you had to choose between two important goals. Which of the following do you feel should be the top priority at this time?

TABLE OF CONTENTS

Table F31	Page 27	F31. Which of the following do you feel should be the top priority at this time?
Table PVOTE	Page 28	Provincial vote + lean - Combined Vote
Table iss_1	Page 29	Issue priority: Jobs and Economic Development
Table iss_2	Page 30	Issue priority: Gap between Rich and Poor
Table iss_3	Page 31	Issue priority: Climate Change
Table iss_4	Page 32	Issue priority: Education
Table iss_5	Page 33	Issue priority: Health care
Table iss_6	Page 34	Issue priority: Affordable Housing
Table iss_7	Page 35	Issue priority: Roads and Transit
Table iss_8	Page 36	Issue priority: Developing our natural resources
Table iss_9	Page 37	Issue priority: Keeping the cost of living down
